## A MESSAGE FROM SOCCER AUSTRALIA CHAIRMAN, DAVID HILL

All that thrilled us about the first season of the Ericsson Cup has everyone at Soccer Australia looking forward to a terrific 1996/97 season.

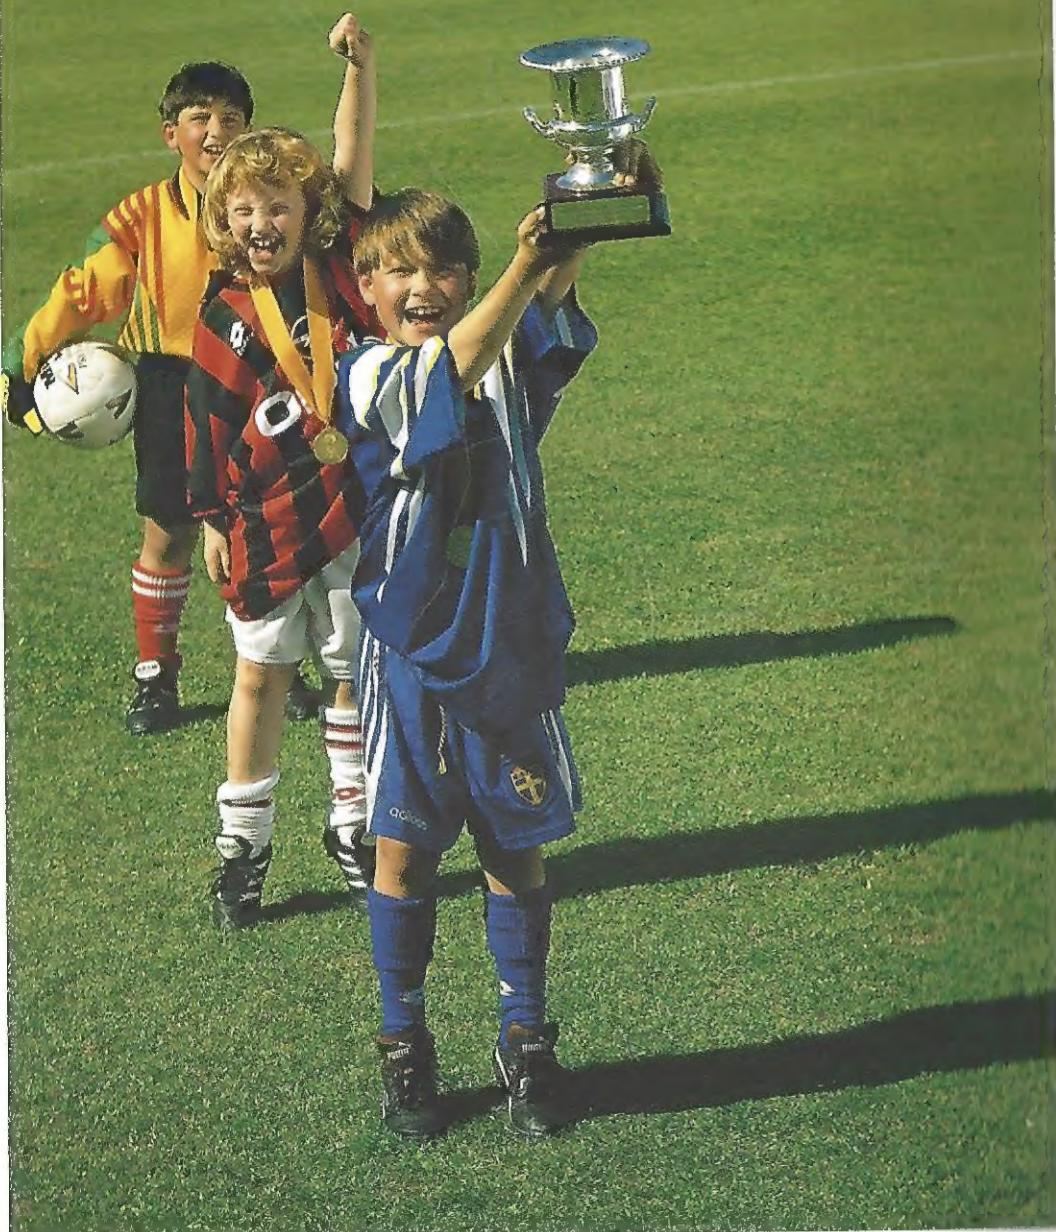

The 1995/96 season was the best ever experienced by our national competition. More people went to Ericsson Cup games with crowd averages rewarding the clubs' hard work. It was also a great outcome for the players who created some magic moments for us all to enjoy. Throw in wider media coverage of domestic soccer and we have an Ericsson Cup competition standing on firm financial ground.

The effort made by players, clubs and administrators saw Ericsson Cup crowds rise by an average 20 per cent over the past season. Editorial coverage of the game was up and television coverage expanded to Optus Vision. More and more Australians are being entertained by the best of the best in Australian soccer.

This season promises so much. We welcome two new clubs, Collingwood Warriors and Perth Glory and wish them every success. Among the big questions to be answered by the months ahead: Can the Melbourne Knights, the defending champions, win a third consecutive Ericsson Cup?

To all players, their clubs and supporters - all the best for the 1996/97 Ericsson Cup.

David Hill  
*Chairman, Soccer Australia*

## A Message From Ericsson Australia's Managing Director, Kjell Sorme

Ericsson Australia is pleased to be able to continue its sponsorship of soccer in Australia for this, the 1996/97 season of the Ericsson Cup.

We look forward to working closely with both Soccer Australia and the clubs in meeting the challenge of taking soccer beyond the outstanding success achieved in 1995/96.

While last season has been described as the most successful in the history of Australia's National Soccer Competition, it has also been described as: merely a "curtain raiser" to the vision of Soccer Australia. At Ericsson Australia we are proud to be able to contribute to this vision, and we hope that it is a challenge that every participant in this exciting sport will accept.

The first season of the Ericsson Cup was characterised by a spirit of goodwill and professionalism with Soccer Australia, the clubs, the players, the media, and most importantly

Australia's soccer fans, through your support behind the competition to ensure its success. With your continued support, I am confident that soccer is poised to gain ever-increasing strength in the Australian sporting calendar.

Ericsson will continue to work with both Soccer Australia and the clubs in the promotion, the marketing and the future development of the game.

The partnership between Ericsson and soccer is particularly appropriate in that soccer is the world's leading football code, while Ericsson is one of the world's leading telecommunications suppliers. As we advance into the second year of our sponsorship of the Ericsson Cup, at Ericsson we are proud to be able to continue with our contribution and our support to enable Australian soccer to take its place as a viable force in the world of professional soccer.
